CP3 Plaster Arrestor

A compact plaster arrestor with a removable, lockable lid. Ask us to quote the matching dolly if you need a mobile support frame.

Material: 1.2 mm 304 stainless steel, #4 finish.

Connections: 50 mm BSP inlet and outlet.

Capacity: 53 litres.

Options: 316 stainless steel available on request; matching dolly quoted separately.

Before ordering, confirm the model, overall dimensions, connection positions and room for lid removal and cleaning. Coordinate the final plumbing layout with your installer.
