Dolly For CP3

A stainless steel support frame for the CP3 plaster arrestor. Four swivel castors provide mobility; the arrestor is supplied separately.

Compatibility: CP3, as listed in the Marko range.

Frame: 40 x 40 x 3 mm stainless steel angle.

Castors: 50 mm polypropylene swivel castors, without brakes.

Material: 304 stainless steel; 316 available on request.

Before ordering, confirm the arrestor model, required frame dimensions and operating load. The frame and castors must be selected for the complete loaded unit.
