MT Mirror - 450 W x 1000 H

All fixing holes Ø5 mm. Hole centres 15 mm from adjacent edges.

Hole Centre Coordinates (X, Y)

Origin: bottom-left finished corner, viewed from mirror face.

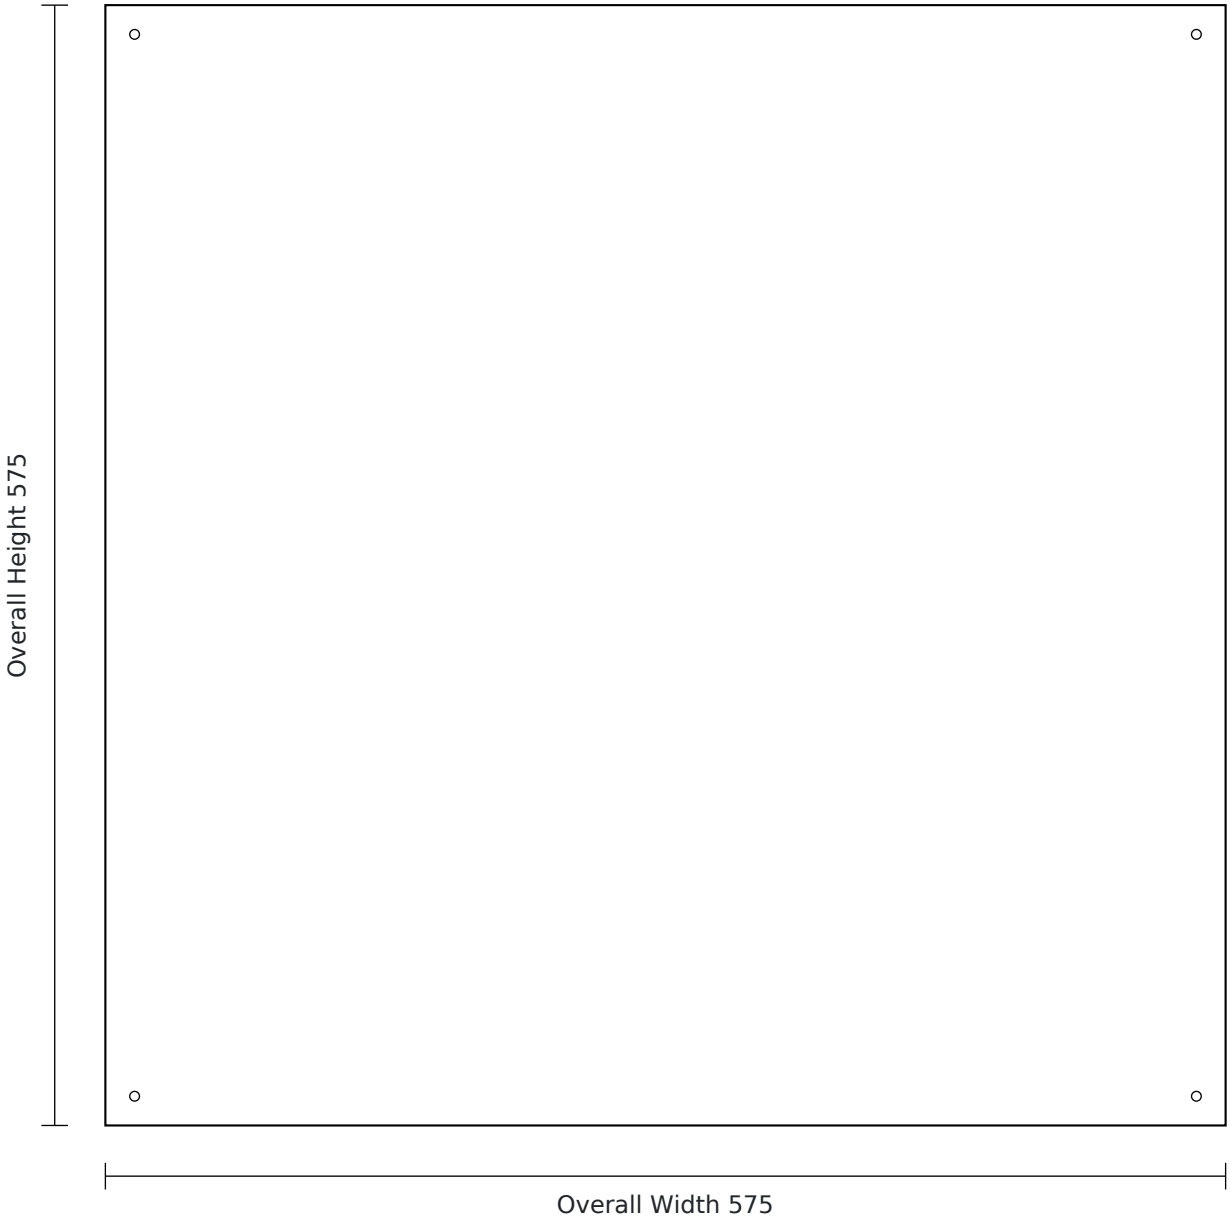

(15, 15); (15, 500); (15, 985); (435, 15); (435, 500); (435, 985)

Layout shown for this size. Custom quantities and positions remain available by agreement.

Use dimensions and coordinates, not printed scale. Confirm project size and mounting before fabrication.

MT Mirror - 575 W x 575 H

All fixing holes Ø5 mm. Hole centres 15 mm from adjacent edges.

Hole Centre Coordinates (X, Y)

Origin: bottom-left finished corner, viewed from mirror face.

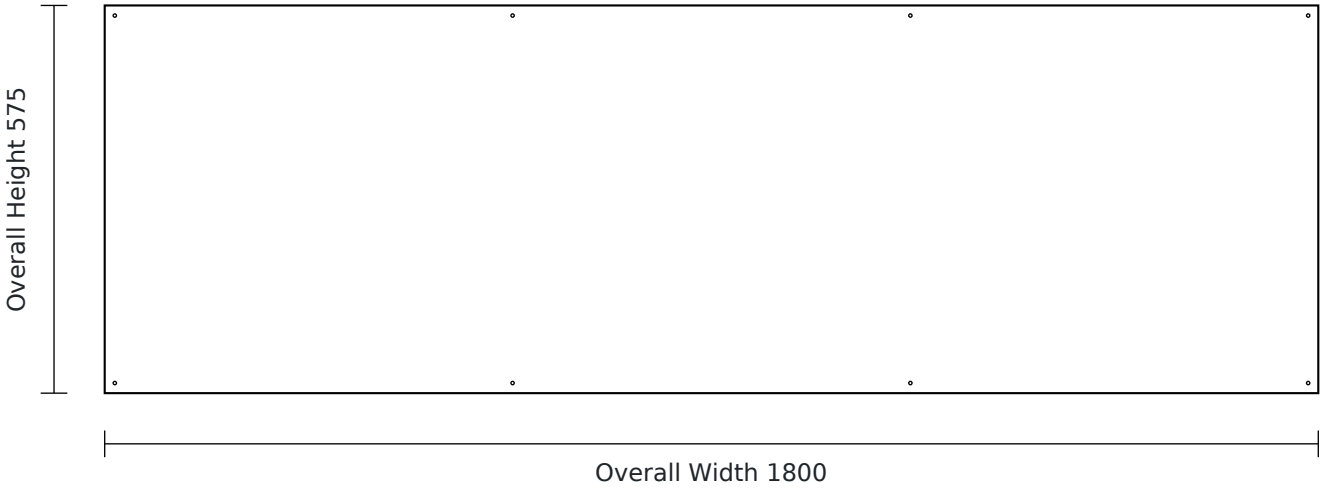

(15, 15); (15, 560); (560, 15); (560, 560)

Layout shown for this size. Custom quantities and positions remain available by agreement.

Use dimensions and coordinates, not printed scale. Confirm project size and mounting before fabrication.

MT Mirror - 1800 W x 575 H

All fixing holes Ø5 mm. Hole centres 15 mm from adjacent edges.

Hole Centre Coordinates (X, Y)

Origin: bottom-left finished corner, viewed from mirror face.

(15, 15); (15, 560); (605, 15); (605, 560)
(1195, 15); (1195, 560); (1785, 15); (1785, 560)

Layout shown for this size. Custom quantities and positions remain available by agreement.

Use dimensions and coordinates, not printed scale. Confirm project size and mounting before fabrication.
